SMOKELESS OIL HEATERS

DISEASES OF CHILDREN

I find worms one of the most common of children's diseases—either pinworms or stomach worms. These parasites make their presence felt through disturbed stomach, swollen upper lip, sour stomach, offensive breath, hard and full belly with occasional griping and pains about the navel, pale face of leaden tint, eyes heavy and dull, twitching eyelids, itching about the nose, itching of the teeth, little red spots sticking out on the tongue, starting during sleep, slow fever. For over 60 years Dr. True's Elixr, the Family Laxative and Worm Expeller, my father's discovery, has been the standard remedy for worms, stomach disorders and constipation, both for children and adults. Write: "I want to say that Dr. True's Elixr is certainly a fine medicine." At all dealers. 35c, 50c, and \$1.00. Advice free. Write. Auburn, Me. Dr. True

HERE'S NATURE'S OWN REMEDY FOR CATARRH

Hymoi Relieves Catarrh Without the Use of Dangerous Drugs

Not until Hymoi was discovered has it been possible to truthfully say that a real remedy for catarrh was known.

Hymoi is an oil and its air is breathed through a small inhaler furnished with it, for a few minutes four times a day, and during that time every particle of this Hymoi-laden air taken into the air passages and lungs is impregnated with a powerful germ-killing and health-giving antiseptic.

Sprays and lotions often cause disorders of the respiratory tract or bring on some other disease and never make a permanent cure of catarrh. But when the air of Hymoi penetrates to the innermost cells of the lungs and enters the blood with the oxygen it not only kills the germs in the throat and nose, but kills the bacteria in the food, freeing the mucous membrane from poisonous microbes and giving perfect health.

A complete outfit is inexpensive and includes an inhaler, dropper and sufficient Hymoi for several weeks treatment.

F. D. Pierce has so much faith in the merit of Hymoi that he has agreed to return the money to any purchaser who is not thoroughly satisfied.
